## SLIME CARE GUIDE

= Keep Your Slime Fresh & Fun! =

### Wash Your Hands

Before AND after playing to keep your slime clean, and long-lasting

### Clean Your Space

Always play on a clean surface to avoid dirt, food, and debris getting mixed in.

### Seal It Tight

Keep your slime container tightly closed when not in use

### Store It Right

Store in a cool, dry place with low humidity (avoid heat + moisture!)

### ♥ Pro Tip:

The better you care for your slime, the longer it stays stretchy, and FUN!
